

the year of the
HUMANITIES
IN THE UNIVERSITY

UPMC HEALTH PLAN UNIVERSITY HONORS COLLEGE

Humanities in Health Conference

University of Pittsburgh | April 7, 2016 | University Club

Please register on the website

The humanities are vital to an informed and engaged society. We must value their impact and embrace their role in other disciplines. As part of the Provost's year of the humanities initiative, this one day conference will:

- ◆ Enhance the visibility of humanities in medicine
- ◆ Highlight collaborations between the humanities & health
- ◆ Create networking opportunities

Contact: Dr. Soudi (conference Chair)
at HinH@pitt.edu Or visit :
